## 30-day Online Program To Transform You Into an Innovative, Mindful, and Purpose-driven Leader.

Today's challenging global environment requires those in healthcare to recognize their unique leadership capabilities. With hospitals and health systems at a breaking point, every healthcare professional has the opportunity to embrace a leadership mindset that is purpose-driven.

The Certificate in Heroic Leadership program, led by Chris Lowney, is designed to help you

transition into an innovative, mindful, and purpose-driven leader. Through the concepts of self-awareness, love, ingenuity, and heroism you will develop the proficiency needed to drive change in your workplace. In addition to honing leadership skills, this program will help you develop practical strategies to accomplish and exceed personal and professional goals.

## Expert Insights From

### Antoinette Waller-Hardy

Antoinette is an entrepreneur and clinician with extensive leadership, management, and governance experience in both the acute and post-acute settings. She is founder and

CEO of The Leverage Network, a nonprofit organization dedicated to increasing the representation of African Americans in healthcare governance.

### Jim Kouzes

Jim is a Fellow of the Doerr Institute for New Leaders at Rice University and the coauthor of The Leadership Challenge and over a dozen original publications on

leadership. Jim has directed the Executive Development Center, Leavey School of Business at Santa Clara University, and received numerous awards and recognition during his career, including acknowledgment as one of the twelve best executive educators in the US, according to The Wall Street Journal.

### Tom Kopfensteiner

Tom is the Senior Executive Vice President, Chief Mission Officer at CommonSpirit Health. He received his doctorate from the Gregorian University in Rome before

teaching at his Archdiocesan seminary in St. Louis at Fordham University in New York. He has written extensively in the area of moral theology and healthcare ethics and has served on the Boards of other Catholic healthcare systems.

## What You Will Learn

- Develop a deeper understanding of your unique leadership abilities.
- Develop as an astute leader who adapts and drives change.
- Strengthen your capacity to connect with your co-workers, teams, and patients.
- Make deep connections between personal purpose and the mission of the workplace.
- Recognize everyday heroism and go above and beyond in big and small ways in the workplace.

## Who Should Attend

This program is designed for all healthcare professionals, aspiring leaders, and experienced leaders, who desire to master the art of purpose-driven leadership through the concepts of self-awareness, love, ingenuity, and heroism.
